Creative Learning Preschool and Child Care Center

Dates to Remember:

Parent Committee Meeting 1/19

Creative Learning is excited to begin a new year. We would really like to thank all of our families for everything you do for our center. We also really enjoyed the Christmas breakfast and lunch you put together for us. Most of all, we enjoy being a part of watching your children learn and grow.

Each classroom is beginning to put

together a wish list. The wish list consists of items that the teachers and children would really like to have in their classroom. Please feel free to take a peak at the wish lists. If you have any toys or craft items to donate, that would be wonderful.

We also want to encourage parents to write down any suggestions or concerns and place

them in the suggestion box. We have received a few already, and we plan to discuss them at the parent committee meeting on Tuesday, January 19.

We wish everyone a happy and healthy 2010.

Thank You.
Miss Caissy

Infant News

We are glad we all made it through the holiday season and into the new year.

For the month of January we will be making many winter crafts, including polar bears, ice skates, icicles, and snowflakes. We will explore different mediums and textures with paint, paper, and cloth. Our children are doing many miraculous new things. Luca is

learning to use a fork and spoon. Brenn is trying to take steps, Brynne has mastered crawling. Gabby is learning to sit up and is eating fruit. Ana has been rolling on to her belly. Kelsey is finally crawling like a champ, and Ben is sitting on his own like a big boy.

We also want to wish Miss Siobhan a very Happy Birthday on January 1st,

and a Happy New Year to everyone.

Waddler Room

We welcome the new year. The Waddlers are going to be very busy this month. We will be making hats for new years.

We will also be learning about birds and birdfeeders, snow and snowmen, nursery

rhymes, and hot and cold. We plan to be learning many new songs and fingerplays.

The Waddlers have really expanded their vocabulary

and they are talking a lot. We are working on learning the colors. They really enjoy singing the

ABC's, and counting to ten.

We expect the year ahead to be full of fun and lots of learning .

Thank you.

Preschool News: 3 Year Olds

Happy New Year! January is going to be a fun and busy month for the 3's. We have mastered our writing and recognizing skills for the letters A-F.

December was a great month. The classroom was filled with lots of smiling faces and tons of holiday joy. We had tons of fun with all the art projects we made. We loved singing Jingle Bells, Santa Claus is Coming to Town, Rudolph and Frosty the Snowman. Santa was the man of the month. The children's portraits came out awesome. Don't forget to send any unwanted photos or

your check back to Miss Caissy.

We will be having a new friend join our preschool 3's program. Isabella Bodman will be starting on January 25th and we are so excited.

In January I am hoping to complete letter G, H, and I. We will have fun with different themes such as winter attire, snowmen, and snow, snow, snow. How does snow melt? What does snow turn into when it melts? Where does it go? If it is too

cold outside, I will bring some snow inside.

We will be doing a theme on new years, nursery rhymes and fairy tales.

Please make sure that your child has full winter gear. We would love to play outside as long as the temperature is just right.

Happy New Year to All! Hope you all had a wonderful Christmas.

Winter is here and this month we will focus on Winter/snow, nursery rhymes/ Fairy tales and the letters Q, R, S, & T.

We will make hot chocolate and chicken noodle soup.

Hopefully we will get outside to make a snowman.

If anyone would like to come in and read a story, I'm sure the children would love it.

Also, thank you for helping the children with the letter bucket, they love showing all the stuff they collect at home.

Once again, I hope you all have a Happy and healthy New Year.

Kindergarten News

Happy New Year!

January will be a busy month for Kindergarten. We will begin by studying polar animals. We will learn about polar bears, penguins, walruses, seals, and lots of other animals that live in the arctic and Antarctica. We will also learn about our five senses, how our bodies work, and how to keep them healthy. We will focus on healthy eating, exercise, and hand washing.

This month we wish a Happy Birthday to James who turns six on January 7th.

Thank you.
Miss Celeste
